## "Absolutely Pure Milk"

We have now completed our new patented in-bottle pasteurizing plant, which is, without doubt, furnishing the purest and richest milk ever sold on a large scale.

All our milk is pasteurized in the bottle and without increase in price

Ask your doctor which he advises—milk pasteurized in the old tank method or pasteurized in the bottle it: self, so that not only the milk, but the bottle and cap are germ-free and proof against any disease.

### EXPERT OPINION OF PASTEURIZATION IN THE BOTTLE.

"From a bacteriological standpoint, the advantage of pasteurization in bottles lies in the fact that reinfection after pas-teurization is prevented. There is no chance of the milk becoming contaminated after pasteurization up to the time it reaches the consumer, provided, of course, the scals are water-

### GOMPERS WINS: SENATE ADOPTS SAFETY TREATY

La Follette Reservation Passed-Fear Expressed Amendment Will Cause Powers to Withdraw.

Senator La Follette and Samuel Com Senator La Follette and Samuel Gom-pers, of the Federation of Labor, won a victory in the Senate yesterday when that body in executive assion ratified the safety-at-sea treaty, but adopted a resolution which reserved to the United States the right to legislate on seaman-ship in the merchant marine along the lines suggested by the La Follette seamanship bill. The test came at a time when it was believed the treaty was fore-doomed to fall of ratification before Jan-uary 1, after which time the other signa-tories would have been at liberty to withdraw from the agreement. ## To Drug or Liquor Victims

THE Washington-Maryland Sanitarium at Silver Springs, Maryland, a suburb of Washington, is open for the treatment of drug addictions, alcoholics and neurasthenics. The specific treatment consists of that used with such notable success by Dr. B. B. Williams, of Greensboro, N. C., in his private sanitarium.

This treatment offers hope to the hopeless and cures for all who are willing to be cured. It is endorsed by physicians, social workers and others who have seen the beneficent results obtained.

The fullest investigation is urged. Reasonable rates are fixed, either for a definite course of treatment, or by the week. Physicians and attendants of the highest standing and experience are constantly in charge. Privacy and confidence maintained.

All this institution requests is a fair opportunity to demonstrate its effectiveness for good in the community.

The treatments, unlike others, are free from nervous suffering. Relief and cure may be had without the usual physical and nervous strain and torture.

Phone or write the Superintendent.
